LOVE IS A VERB!: SECRETS REVEALED: WHY REAL MEN GET MORE THAN OTHERS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Love Is A Verb! will pull the average guy out of his self-indulgent bucket of quicksand into an ecstatic relationship with a good woman. Danova reveals how his own experiences can help any man develop an intense relationship with the woman of his dreams. His short guide teaches men that once they become real, they ll melt any woman s heart. Nearly every young man falls in love with the first woman who looks at him more than once. And when it comes to intimacy, a young woman believes her lover knows all about her sexual needs. And, as he walks away satisfied, he knows he does! As a young man, under the sensual tutelage of an older woman, Danova learned what every woman wants and needs: respect for her as a person, and that her partner listen without offering solutions. After that, everything falls into place. In simple language, the author takes his reader on a roller coaster ride with the women whom he s known and loved. And on his ride, he found Ladies, Females, and Women (Good and Bad). Danova clearly explains how and why couples can remain together happily, rather than throwing each other away in hopes of Greener Grass. The author separaties juvenile thinking from base reality. Lost in the act of sex, the average male walks away satisfied. Leaving her in his wake, she slowly dresses and wonders, Is that all there is? Excerpts from the book: And how, you ask me, do I find such a good woman? You find her by getting up off your supercilious, inflexible, this-is-a-man s-world butt and accept this brand new way of behaving. With few exceptions,...
