## KAFKA S METAMORPHOSIS AND HESSE S SIDDHARTHA.: THE TRANSFORMATION OF THE SELF (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ABSURD- a film and literary production house that is passionately committed to creating and appreciating the finest works of art and literature- has now introduced Pure Wisdom Series that intends to be a collection of the greatest literature- fictions and nonfictions- that awakened and have still been awakening mankind This is the first book of Pure Wisdom Series; it collects two finest literary works of all time- Franz Kafka s novella, The Metamorphosis, and Hermann Hesse s novel, Siddhartha. Kafka s Metamorphosis is one of the greatest literary works in which the protagonist, a travelling salesman, wakes up one day to discover he has been transformed into a giant insect. The absurdity of life in The Metamorphosis shakes us all terribly with some question of our very existence- Why are we here? What purpose does our existence have? Does it depend on what others think of us or are we valuable enough in our helpless existences to overcome the obstacles of perception? Siddhartha is one of the finest works of Hesse and one of the greatest books ever written. The novel is immensely beautiful; it deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha; a man who wants to know his true self completely.
