The most important and best-loved artists of the Pop art movement are gathered in this accessible book of painting, photography, film, and sculpture. This introduction to Pop art focuses on 50 of the movements most important works and covers every major artist associated with the style, including David Hockney, Jasper Johns, Roy Lichtenstein, Robert Rauschenberg, and Andy Warhol. Each work is featured on a beautifully illustrated spread. An informative text highlights the works classic characteristics, its unusual aspects, and its significance in the Pop movement.
