It is agreed that for the present, because of the serious shortage of teachers, courses of two years should be recognized in preparation for subordinate positions, where the teaching is done under competent supervision. The committee has not yet studied as long nor reached as uniformity of agreement when it comes to requirements of athletic and gymnastic practice. It is the belief of the speaker that two hours of such practice daily should be required of all physical education students, except in cases of physical disability, and that when such disability continues very long it should bar the student from...
