Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Flax Culture: An Outline of the History and Present Condition of the Flax Industry in the United States, and a Consideration of the Influence Exerted on It by Legislation This volume aims to be brief, readable, and pertinent to the point at issue; namely, that a duty on imported flax is unnecessary, and a hindrance to the development of the flax-growing and linen-manufacturing industries in the United States. The facts and figures upon which this study is based are taken almost entirely from publications of the United States Government, and the object has been to tell the story, so far as is possible, in the words of the government experts. Previous references have been made for. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
