I am sure harpists throughout the world will love to read this inspiring account of Henriette Renie s life as seen through the eyes of one of her oldest and dearest friends and former students. Available now in this fine English edition prepared with devotion by Jaymee Haefner, this small volume gives the reader a glimpse of the heart and soul of this great harpist and pedagogue. This book represents many hours and years of careful research and devotion to an important cause. Linda Wood Rollo ----- Henriette Renie was one of the most inspirational harpists in history. She set a standard of excellence that harpists for generations will aspire to. This thorough and comprehensive look at Renie s life and achievements is a treasure, containing information that is imperative to all harpists. Dr. Carrol McLaughlin ----- The Legend of Henriette Renie is the most extensive resource currently available on the life of this significant artist in the history of the harp whose life reflected, intersected, and influenced many of the artistic and cultural trends...
