

A Walk on the Wild Side (Hardback)

By Frederick Western

AUTHORHOUSE, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Walk on the Wild Side charts the author s journey from Hampshire to the Scottish Highlands and eventually to one of the largest districts in Scotland and the least densely populated area of the British Isles. The book tells the stories surrounding the wildlife encountered in and around his home and throughout the beautiful and remote area of Sutherland in the northern Highlands of Scotland. Discover its unique landscape containing every conceivable habitat and the associated wildlife that abounds within. From the estuaries and mixed woodland along the narrow eastern seaboard to the wild and rugged interior of mountain and moor. From the secret coves and stunning sea cliffs of the north to Handa Island off the west coast with its sea stacks full of nesting birds and marauding skuas patrolling the skies above the hill lochans. Each chapter captures these diverse habitats and the birds, mammals and wild flowers that live within their confines. The magnificent golden eagle, the spectacular osprey, the haunting red and black throated divers, the secretive pine marten and otter - all of these are brought to...
