

## A Weider Weltanschauung (Paperback)

By Arthur Ph D Weider

Xlibris Corporation, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Clinical psychology takes a personal turn in Dr. Arthur Weider s newest work. A Weider Weltanschauung: A Wider Perspective of Psychology. Dr. Weider uses his own life experience as a source of inspiration and intervention for both his patients and his colleagues. Through thought-provoking descriptions of the many turning points in his life, Weider begins his intimate portrayal by detailing how growing up in a poor family in New York s South Bronx taught him to face adversity with a unique sense of optimism. This optimism ultimately helped Weider overcome the challenges of a tumultuous childhood, which included the witnessing of the actual death of his father when he was ten years old and his continued struggle with poverty during the Great Depression. The second turning point in Weider s life came at the age of fourteen while browsing through his older brother s psychology textbook. His immediate fascination with psychology marked the beginning of a long and illustrious career. A Weider Weltanschauung: A Wider Perspective of Psychology paints a vivid portrait of Weider s success, including his involvement in developing the...
