

Creating Freedom: Power, Control and the Fight for Our Future (Paperback)

By Raoul Martinez

Canongate Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. We are far less free than we like to think. In *Creating Freedom*, Raoul Martinez exposes the mechanisms of control that pervade our lives and the myths on which they depend. Exploring the lottery of our birth, the coercive influence of concentrated wealth, and the consent-manufacturing realities of undemocratic power, he shows that our faith in free media, free markets, free elections and free will is dangerously misplaced. Written with empathy and imagination, this scholarly, fierce and profoundly hopeful manifesto makes a dazzling case for creating freedom on our own terms.
