Griffin Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Four-Legged Miracles: Heartwarming Tales of Lost Dogs' Journeys Home, Brad Steiger, Sherry Hansen Steiger, Heartwarming true stories of lost dogs finding the way back home, relying entirely on amazing canine intelligence and instincts "Four-Legged Miracles" is a collection of wondrous lost-and-found canine sagas--actual "Lassie, Come" "Home" tales--that highlight dogs' remarkable abilities to return home despite almost unbelievable odds. Brad and Sherry Steiger have collected dramatic, carefully documented true-life anecdotes that showcase canines' amazing intelligence, courage, and sometimes seemingly supernatural powers. Often, there are no sensible explanations for how the dogs overcome obstacles like natural disasters and fierce wilderness areas, predators, grievous injuries, and more to find their human families. These fascinating reunion stories include: --Mason, the white terrier who crawled home on two broken legs to what remained of his family's tornado-ravaged house--Buca, who sat on a hill over Utah's Rte. I-15 for two months waiting for the car he knew would bring him home--Eddie, the beagle, who walked 450 miles over four months to reunite with disabled four-year-old Jimmy, inspiring the boy to work harder on his own recovery."Four-Legged Miracles" will tug on readers' heartstrings, but it will also discuss common reasons dogs disappear, how to get a missing dog back faster, the dog-human bond, and the science behind some of the amazing journeys these dogs endure. Chock-full of happy endings, "Four-Legged Miracles" lends insight into dogs' hearts and minds, and is a treat for any animal lover.
