

## The Cajun Fisherman and His Wife (Hardback)

By Connie Morgan

Not Avail, 2018. Hardback. Condition: New. Herb Leonhard (illustrator). Language: English . Brand New Book. When is enough really enough? Bon Dieu! In this Cajun take on a Brothers Grimm classic, can you ever have too much of a good thing? When fisherman Paul catches a talking fish, it promises to grant him a wish if he lets it go. As proof, the supernatural sac-a-lait piles crawfish into his boat. Paul returns home with his reward. It seems his wife is just not satisfied! She dreams up progressively outlandish demands each time he returns home. Eventually everyone learns that you must be careful what you wish for if you want to hang on to what s really important. In this third collaboration between author Connie Collins Morgan and illustrator Herb Leonhard, the wonderfully woven tale is brought to life with moody and expressive images with a Louisiana flair. Readers of all ages will delight in this soon-to-be classic Cajun tale!
