Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

JOURNALS FROM MY FATHER: VOLUME 1

Paul Anthony Cooper, New Zealand, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine having a teacher who was with you all of the time, was able to give you lessons every day on what you should or shouldn't do in life. Imagine that teacher was able to point you in your life's direction. Imagine that it was the Christ, the Great Teacher from 2000 years ago. In this book Paul Anthony Cooper states that he is not making any claims about certain things or experiences. He just tells you as it happened. What he has done and experienced cannot be taken away from him. You may ask prove it to me scientifically . His answer is that he can't. You will have to go through the experience yourself. The writings in two journals were channelled through to Paul Anthony, over forty years ago but never published. He is taking the opportunity to do that now. They were typed on his Dad's old typewriter. The paper that they were written on is now yellow and discoloured, however the words are still as clear as when they were written. It was amazing the way the writings started. He started writing in verse, spiritual style writings. For the first page he felt that his hand was being controlled, but after that anything that was received came through inspirationally. The writings were thoughts and instructions that were coming through to instruct Paul Anthony on his spiritual pathway. Many of the words and expressions that were used were not words or expressions that he would normally use. Most of the time he did not have to think. However he maintains that it was inspirational writing rather than automatic. The...
