I CAN SEE JUST FINE

To get **I Can See Just Fine** PDF, you should click the link beneath and download the ebook or have access to other information that are highly relevant to I CAN SEE JUST FINE book.

Abrams Appleseed. Hardcover. Book Condition: New. Hardcover. 32 pages. Dimensions: 9.7in. x 8.6in. x 0.4in. Paige is just like every other kid. She goes to school. She practices her violin. She plays outside. The only problem is, she cannot quite see the chalkboard, her sheet music, or anything else! Despite Paiges repeated refrain of I can see just fine, the comical illustrations portray a different story. Paiges parents decide its time for her to visit the eye doctor, despite her protests. But Paiges stubbornness quickly dissolves as she braves an enthralling eye checkup, enjoys a playful frame selection, and, most importantly, ends up with perfect eyesight! Barclay successfully depicts a very real and relevant issue with lightheadedness and gentle humor. Young readers will relate to Paiges journey and celebrate her triumph of seeing clearly in the end. Praise for I Can See Just Fine Its a useful, non-didactic story for kids in Paiges situationand utterly fun, too. --Publishers Weekly A gentle way to introduce the topic of eyeglasses with a resistant child and what to expect in finding a solution. --Shelf Awareness for Readers With an attractive, clean layout and big speech bubbles, this story is one that young readers will easily follow as Paige ultimately triumphs with her new glasses. --School Library Journal This is an easy picture book for beginning readers with full-color illustrations. The stylized, pleasing illustrations are done well and a lot of children can relate to the situation. --Library Media Connection This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
