Over 150,000 women in 16 languages and 27 countries have used the Surrendered Wife principles to make their relationships vibrant and exhilarating again. These are the up-close and personal stories of 18 women who show you exactly how they did it. These women were struggling and stuck until they applied the skills that helped unlock their feminine gifts and made them feel cherished again. The skills that changed everything for the better for these women are neither difficult nor complicated, but they're not what most of us saw modeled growing up. Creating the intimacy and passion you crave doesn't have to be hard if you follow someone who has gone before you. Some had been to numerous marriage counselors with no luck, or were right at divorce's door. Others knew that the sizzle was gone. Their stories reveal how they empowered themselves to create playful, passionate relationships and how you can too. This item ships from multiple locations.
