Reviews

This composed pdf is great. It usually will not cost too much. I am very easily can get a pleasure of reading a composed book.
(Luis Klein)

HELP YOURSELF WITH COUNSELING: RESOLUTION OF A LIVING PROBLEM (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Healing is an art that we must learn and embrace in our lifetime if we want a life that is positive and peaceful. Despite its importance, or perhaps because of its importance, it is not an easy task to embrace. Still, we must. Healing allows you the opportunity to come to peace with what has happened to you in your life, both as a result of other people's actions and as a result of your own. Through intentional healing, you gain the ability to lead a life that is in acceptance with all that has happened to you, and that is prepared to overcome anything that may happen in the future. How to Self-Counsel: Resolution of a Living Problem is a companion book that can help walk you through some of the traditional methods of counseling to assist you in having a greater journey in the present and in the future. You are walked through processes from self-awareness and self-acceptance to forgiving yourself and forgiving others. Everything within this book is designed to help you come to terms with anything that may have happened to you and to learn how you can move forward with greater intention, peace, positivity, self-love, and self-compassion. Through the methods you learn about in this book and the practices they are accompanied by, you will be given 9 powerful tools to transform your life and pain and begin living a happier, more joyful life. The topics that are covered include the following: -Self-awareness -Belief systems -Acceptance - Emotional intelligence -Self-management -Understanding others -Improving relationships -Forgiveness -Healthy motivation By discussing these topics in detail and providing you with the ability to understand why they are important and how...
