Vintage Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. When his twin brother dies in a car accident, Helmer is obliged to return to the small family farm. He resigns himself to taking over his brother s role and spending the rest of his days with his head under a cow . After his old, worn-out father has been transferred upstairs, Helmer sets about furnishing the rest of the house according to his own minimal preferences. A double bed and a duvet , advises Ada, who lives next door, with a sly look. Then Riet appears, the woman once engaged to marry his twin. Could Riet and her son live with him for a while, on the farm? The Twin is an ode to the platteland, the flat and bleak Dutch countryside with its ditches and its cows and its endless grey skies. Ostensibly a novel about the countryside, as seen through the eyes of a farmer, The Twin is, in the end, about the possibility or impossibility of taking life into one s own hands. It chronicles a way of life which has resisted modernity, is culturally apart, and yet riven with a kind of romantic longing.
