## ATLANTIS: RISE OF A KING

DOWNLOAD

Paperback. Book Condition: New. Paperback. 178 pages. What if we got history wrong What if Atlantis was more than a myth What if it left and planned to return What if the return changes everything we thought we knew We know history based on stories and myths written from the past with the limited understanding of the writers of the time. Atlantis: Rise of a King, written by Samuel M Giles II, explores the possibility of our understanding of ancient times being completely wrong. We assume the technology then was archaic and primitive. What if we are wrong Atlantis: Rise of a King is set in modern times, but the return of an ancient civilization is about to take place. The main character (protagonist) Maximus Rex Morcant finds a legendary crystal skull. This sets him on a mysterious path to become the potential leader of a new nation. He is unsure of his role or purpose but quickly learns that governments want to control whatever it is he has discovered. His journey takes him away from his comfortable life and soon lands him in a high stakes battle against the most powerful nation on Earth. Max is not alone in his quest. Through random events that seem to unfold as if by design, Max finds himself leading a group of the most unlikely adventures all rushing with him towards a destiny none of them understand. A simple factory manager, Max soon aligns himself with six scientists, one of which is a researcher for the CIA gone rouge. Each member joining the group with no real idea of what is happening, but each believing it will change the world. The skull summons a race from another world to find Max. Now he has technology out of this world. He battles governments resulting...
