Reviews

It is fantastic and great. This is for those who stutte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.
(Barry O'Reilly)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Hell's Corner (New edition), David Baldacci, Hell's Corner is the blockbusting finale to David Baldacci's phenomenal Camel Club series. On the night of the State Dinner honouring the British Prime Minister, Oliver Stone witnesses an explosion as the motorcade leaves the White House. A bomb has been detonated in what looks like a terrorist plot directed at the President and the Prime Minister. In the aftermath, British MI5 agent Mary Chapman, an experienced, lethal operative with an agenda of her own, is sent to assist and coordinate the investigation alongside American authorities. Stone, together with Harry Finn, Alex Ford and the rest of the Camel Club, is drawn into the inquiry. But everything is not what it seems, and what happened in the park may not have been the actual plan. It seems the mysterious attackers had another target in their sights, and it's up to the Camel Club to stop them, or face the catastrophic results.
