Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Homer and Classical Philology Friedrich Nietzsche Inaugural Address delivered at Bale University, 28th of May 1869. At the present day no clear and consistent opinion seems to be held regarding Classical Philology. We are conscious of this in the circles of the learned just as much as among the followers of that science itself. The cause of this lies in its many-sided character, in the lack of an abstract unity, and in the inorganic aggregation of heterogeneous scientific activities which are connected with one another only by the name Philology. It must be freely admitted that philology is to some extent borrowed from several other sciences, and is mixed together like a magic potion from the most outlandish liquors, ores, and bones.
