Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

But it is precisely by not loving the self, or not knowing how to love the self, that the other kinds of pain manage to get an iron grip on our hearts, because if we did love the self, or if we knew how to love the self, we would be able to care for the self in such a way that those other kinds of pain would be much less overwhelming. This book offers the promise that it is possible to learn how to love yourself (and more significantly, shows you how), and as you begin, even with your very first steps, you will become aware of changes in your daily existence that already serve to create a better life. As you continue on this path of self-love, every segment of your life becomes transformed in step to your own growth. Loving the self brings inner freedom, joy, harmony, and peace. Above all it allows you to connect to your own inner divinity and to know you will never again be alone. In *The Power of Your Heart*, Dr. Kortsch takes the well known self-help axiom of first, one must love oneself, before one can love others and proceeds to deliver nothing less than a profound and authentic way of living and being that heals the soul and...
