If given the choice, we would all choose to be less stressed, feel happier, and experience a more optimal state of wellbeing. So why are these outcomes so hard to achieve? The answer is quite simple. No one has taught us how. It turns out that just as you train your body for fitness, you can train your mind for wellbeing. We call this Life Cross Training (LIFE XT), and Start Here is the manual for anyone seeking to achieve emotional satisfaction. Combining ancient wisdom with modern neuroscience from the world's leading experts, LIFE XT is a groundbreaking training program to master the art of wellbeing. The program teaches practices that are proven to rewire the brain for increased focus, engagement, and resilience to stress. By offering specific practices, habits, and assessments to manage your training and helping to build up core skills such as mindfulness, gratitude, and compassion, authors Eric Langshur and Nate Klemp lay out a thorough and sustainable program that anyone can integrate into their daily lives.
