

Holding Fast the Fragrance (Paperback)

By Vena K Poole

Guardian Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Following the years of separation, the Hall family have bonded very smoothly into their new relationships, blessed with the appearance of lovable, intelligent Pamela, who brings both great pleasure and great anxiety to the whole family. The children have added to society a very special flavour, which not only brings joy but also enriches the lives of those who are influenced by their endeavours. Perhaps they have caught a similar vision as their father, who built an extensive furniture company with extremely meagre beginnings, which resulted in changing the lives of many people. AUTHOR BIO: My whole life has been overshadowed by the desire to write. Because my time was required by the very practical need to earn money, the opportunity did not arise until I retired. But God, in His love, did not forget this desire, and with my second book complete, I am now contemplating my third book, a historical mystery novel.
