John Blake Publishing Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Comedian, teatime talk show host and all-round entertainer, multi-award winning Paul O Grady is one of the most popular figures on British television. But his real-life journey has been more dramatic than any of his on-stage stories. Born into a noisy Irish Catholic household in Birkenhead, Paul was always determined to live a colourful life. He was a boxing champion as a boy. He became a dad as a teenager. He has been a barman in a brothel and spent his first years in London working as a carer to some of the capital's most at-risk kids. In this, the first major biography of the star, Neil Simpson reveals the extraordinary highs and the terrible lows of Paul's life. He explains: how Lily Savage was born as a way to make more money - and help Paul take his mind off the horrors he saw every day as a social worker; how tough it was for the blonde bombshell from Birkenhead to break into the entertainment mainstream; and, why Paul decided to risk everything by throwing off Lily's wig and carving out a new career as himself. The depression, the private grief and the near fatal heart attacks that struck as Paul re-invented himself as the funniest and most successful chat show host in the country. Frequently hilarious and sometimes heart-wrenchingly sad, Paul O Grady has always lived his life on a rollercoaster of emotions. Today he is a proud grandfather, a multimillionaire and a man loved by millions of devoted fans. This is his incredible story.
