Dinosauria: Dinosaurs to Color and Facts to Discover (Paperback)

By -

Barron s Educational Series, United States, 2017. Paperback. Condition: New. Claire Scully (illustrator). Language: English . Brand New Book. Enter a prehistoric landscape filled with dinosaurs that you can bring to life with color! Dinosaur lovers of all ages, get ready to rejoice! This coloring book will offer you hours of coloring fun that will help you relax, unwind, and learn some exciting new things. Enter a landscape populated by dozens of dinosaurs, just waiting to leap off the page as you bring them to life with color. Illustrated by popular author Claire Scully (who co-illustrated our bestselling title, The Menagerie), Dinosauria is filled with striking portraits of many different types of creatures to color and complete. Lose yourself in this prehistoric world as you encounter each glorious beast, including the Stegosaurus, Diplodocus, Spinosaurus, Brachiosaurus, Triceratops, Tyrannosaurus Rex, and many others. Each portrait is also accompanied by fascinating facts about these creatures. Includes perforated pages.

Reviews

It is one of my personal favorite books. It is one of the most incredible e-books I have ever read. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- **Giuseppe Mills**

This publication is definitely worth buying. It is written in straightforward words rather than difficult to understand. You are going to like how the writer composed this publication.
