## WHAT REMAINS OF ME (HARDBACK)

William Morrow Company, United States, 2016. Hardback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book. The USA Today bestselling author of the Brenna Spector series returns with an ambitious, spell-binding novel of psychological suspense set in the glamorous, wealthy world of Hollywood a darkly imaginative and atmospheric tale of revenge and betrayal, presumed guilt and innocence lost, dirty secrets and family ties Nobody's perfect. Everybody's got a drawer somewhere, with something hidden in it. On June 28, 1980 the hottest night of the year seventeen-year-old Kelly Michelle Lund shot and killed Oscar-nominated director John McFadden at a party in his million-dollar home in the Hollywood Hills. The shocking crime became an instant media sensation. News cameras swarmed to capture the dead-eyed teen with the mysterious grimace they dubbed the Mona Lisa Death Smile a secret smirk that became fuel for national nightmares. Throughout her arrest and trial, speculation swirled over the enigmatic young woman's motives, information she refused to share with prying journalists, her estranged mother, and even her lawyer. Convicted of murder, Kelly lost her youth and her freedom, but held on to the truth and the devastating secrets everyone wanted to know. Thirty years later and five years after her release from prison Kelly's past has come back with a vengeance. Her father-in-law, movie legend Sterling Marshall, is found in a pool of blood in his home in the Hollywood Hills dead from a shot to the head, just like his old friend John McFadden all those years ago. Once again, Kelly is suspected of the high-profile murder. But this time, she's got some unexpected allies who believe she's innocent of both killings and want to help her clear her name. But is she? Or is she the ultimate manipulator in this...
