

The Anatomy Lesson

By Philip Roth

Vintage. Paperback. Condition: New. 304 pages. Dimensions: 7.8in. x 5.1in. x 0.7in. At forty, the writer Nathan Zuckerman comes down with a mysterious affliction—pure pain, beginning in his neck and shoulders, invading his torso, and taking possession of his spirit. Zuckerman, whose work was his life, is unable to write a line. Now his work is trekking from one doctor to another, but none can find a cause for the pain and nobody can assuage it. Zuckerman himself wonders if the pain can have been caused by his own books. And while he is wondering, his dependence on painkillers grows into an addiction to vodka, marijuana, and Percodan. The Anatomy Lesson is a great comedy of illness written in what the English critic Hermione Lee has described as a manner at once. . . brash and thoughtful. . . lyrical and wry, which projects through comic expostulations and confessions. . . a knowing, humane authority. The third volume of the trilogy and epilogue Zuckerman Bound, The Anatomy Lesson provides some of the funniest scenes in all of Roth's fiction as well as some of the fiercest. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

The ebook is great and fantastic. We have read and I am sure that I am going to likely go through once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
