National Geographic Books, United States, 2006. Hardback. Book Condition: New. 178 x 147 mm. Language: English . Brand New Book. It s 1863. Harriet Tubman is facing one of the biggest--and most dangerous-- challenges of her life. She has survived her master s lash, escaped from slavery, and risked her life countless times to lead runaway slaves to freedom along the Underground Railroad. Now she has a new role--that of Union spy! The outcome of a secret night raid deep into Confederate territory depends on the accuracy of the intelligence she and other black spies have gathered. Success will mean freedom for hundreds of slaves. Failure will mean death by hanging. You are about to enter the undercover world of African-American spies--enslaved and free--risking everything in the name of freedom. How were the Underground Railroad and slave songs used to pass secret messages? What were contrabands and Black Dispatches? What did Harriet have in common with the Secret Six and a maidservant in the home of Confederate President Jefferson Davis? You ll discover these answers and more as the action unfolds. Thomas B. Allen, author of the award-winning *George Washington, Spymaster*, has sifted through military and intelligence archives, diaries, and little-known memoirs from ex-slaves to bring to light new facts about the role Harriet and other black spies played in helping the Union win the war. This detailed account combined with powerful archival images supplemented with woodcuts by Carla Bauer, maps, a time line, footnotes, and extensive quote sources make this incredibly detailed account an excellent resource for report writing as well as an exciting true-life adventure. National Geographic supports K-12 educators with ELA Common Core Resources. Visit for more information.
