Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. First Book of: -The Newfie Bullet Trilogy- Author Quote: -I've been working on variations of this Trilogy for some time. It became part of an ongoing memoir. But it wasn't until the Tsunami hit Japan, that something was released that kept me slamming away at the keyboard day and night- I had not anticipated that it would also lead me to my dream-train, the magical Newfie Bullet, and it's there I bring myself and the poems I still carry after all these years. The more I write, the less division between my life and my writing. Still riding the same rails after so many years - only the stations are changing. And now the completed Trilogy arrives in the station. It starts with this volume.
