Today, it's a fine pair of lacy slippers crafted by the renowned Ella's Establishment. To be picture perfect for her presentation to the queen, Charlotte will survive crashed ceilings and falling bricks. Yet, has she met her match in the conservative merchant, whose autumn-colored eyes make her pulse race, especially when he says no? Caught between the glittering world of the ton and the respectable profession of selling shoes, Edwin Cinder can't understand the lady's persistence or the fire lighting her blue eyes when she's challenged. With his lack of pedigree, there's no chance for this common God-fearing man to win her hand, but he'll risk all to save the duchess from the ravages of a London gale. Swept Away is a Regency retelling of Cinderella with a twist.
