## Creative Development (Hardback)

By Ashley Compton, Jane Johnston, Lindy Nahmad-Williams

Continuum Publishing Corporation, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. This is a complete guide to supporting physical development in the Early Years Foundation Stage (EYFS), promoting a holistic approach and drawing on examples of good practice. Creative Development introduces this area of the Early Years Foundation Stage (EYFS) to trainee and qualified early years professionals. The creative development of children aged between 0-5 years is introduced within the context of the EYFS. A balanced approach to the Early Learning Goals is encouraged ensuring that key principles of good early years practice are maintained and developed, and the holistic development of the child is promoted. This user-friendly guide will support early years professionals to: reflect on current practice and develop skills; evaluate the implications of research for early years practice and provision; promote interdisciplinary teamwork between those who work with and support young children; meet the diverse needs of children at different developmental stages and ages; and, support children as they move within and beyond the EYFS. This series introduces each of the six areas of the Early Years Foundation Stage (EYFS): Personal, Social and Emotional Development; Language, Literacy and Communication; Problem Solving, Reasoning and...
