## THE AGAMEMNON OF AESCHYLUS (ANNOTATED) (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Annotated. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Agamemnon is the first of the three plays within the Oresteia trilogy. It details the homecoming of Agamemnon, King of Mycenae, from the Trojan War. After ten years of warfare, Troy had fallen and all of Greece could lay claim to victory. Waiting at home for Agamemnon is his wife, Queen Clytemnestra, who has been planning his murder. She desires his death to avenge the sacrifice of her daughter Iphigenia, to exterminate the only thing hindering her from commandeering the crown, and finally be able to publicly embrace her long-time-lover Aegisthus. The play opens to a watchman looking down and over the sea, reporting that he has been lying restless like a dog for a year, waiting to see some sort of signal confirming a Greek victory in Troy. He laments the fortunes of the house, but promises to keep silent: A huge ox has stepped onto my tongue. The watchman sees a light far off in the distance-a bonfire signaling Troy's fall-and is overjoyed at the victory and hopes for the hasty return of his King, as the house has wallowed in his absence. Clytemnestra is introduced to the audience and she declares that there will be celebrations and sacrifices throughout the city as Agamemnon and his army return.
