SOCIAL AND POLITICAL IDEALS FEW men of his years have thought as deeply as Harper did, or had clearer perceptions, concerning conditions and forces which make for happiness and progress in social life, and the development of national greatness. Had he been spared he would have been an earnest and practical reformer; silent as his voice is now, the words he once uttered are not without their value to our day and generation. He was a true patriot in sentiment and aspiration. Harper loved his country and its people, and in all that he undertook, which was of a public nature, he was animated by an enthusiasm for the common good. Of the self-imposed tasks he had undertaken in addition to his regular duties at the department of labour, and in each of which he had made some progress, were treatises on Labour...
