Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: This book demonstrates that Latin American liberation theology continues to produce substantial biblical exegesis, absorbing theological reflection, and a sharp social critique that enhances the worldwide church. In *Jesus Goes to McDonald s*, Rossi asserts that the book of Job protests against the devastating effects of imperial Persian rule in postexilic Judah--effects seen as the stimulus for the theology of reward so severely criticized by Job. Not since Gustavo Gutierrez's *On Job* has there been such a compelling reading of the book of Job as a literary mirror of oppressive socioeconomic and political conditions. Rossi uses Job to offer a critique of the prosperity theology that is so dominant in parts of the church today. The second half of the book offers a radical critique of the McDonaldization of society and church. Free market capitalism has become an all-embracing worldview to the detriment of society and church. As counter-speech, Rossi proposes a theology that favors life, a life in which solidarity with the poor is central. Endorsements: Not since Gustavo Gutierrez's *On Job* has there been such a compelling reading of the book of Job as a literary mirror of oppressive socioeconomic and political conditions . . . The publication of Luiz Alexandre S. Rossi's book is a clear demonstration that Latin American liberation theology continues to produce solid biblical exegesis, trenchant social critique, and riveting theological reflection that enrich the worldwide church. -from the Foreword by Norman K. Gottwald About the Contributor(s): Luiz Alexandre Solano Rossi is Professor of Old Testament at the Pontifical Catholic University of Parana, Brazil.
