SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, **The Critical Practitioner in Social Work and Health Care**, Sandy Fraser, Sarah Matthews, Critical practice is at the core of all activity undertaken with service users, carers and their communities. Conveying the diverse nature of this work **The Critical Practitioner in Social Work and Health Care** takes a comprehensive and reflective look at key areas of practice and the challenges professionals face in training and in their working lives. The chapters focus on the skills and values fundamental to the caring role and helps readers understand the importance of being able to adapt to changing demands and expectations. Key features of the book include: " a multiprofessional approach, incorporating examples from health, social work, and social care " an integrated approach to theory and practice " a range of case studies to illustrate key themes and issues " coverage of core topics such as: ethics, management, supervision, teamwork, interprofessional working, practice with service-users, research, policy issues, accountability " strongly supports underpinning knowledge for the National Occupational Standards and subject benchmarks. The book encourages the reader to develop the confidence and analytic skills to achieve best practice across all areas of their work. It will be required reading for all those studying social work, nursing, and allied caring professions. It will also be of great help to practitioners wishing to reflect on and develop their own practice. This Reader includes revised and updated material from Brechin et al's *Critical Practice in Health and Social Care* also published by SAGE (2000). Sandy Fraser is a Lecturer in Social Work, Faculty of Health and Social Care at The Open University. He co-edited *Doing Research with Children and Young People* and *The Reality of Research with Children and Young People* (both 2004) published by SAGE...
