Homemade Cleaners: 50 Cleaning Products for Bathroom, Kitchen And For Personal Use Everyone wants to keep his/her home clean and free from dust. Nowadays, it is really easy to buy a cleaner from market to clean your house. Keep it in mind that synthetic household products have lots of harmful chemicals that can react with ozone layer and create toxins called formaldehyde. According to the Environmental Protection Agency, the indoor areas of your homes contain almost 2 to 5 times more chemical pollutants than outside areas of your house. People spend almost 90 percent of their time in their home that has dense chemicals. Indoor pollutants can be the reason of flu, headaches, neurological issues and respiratory diseases. Natural cleaning products are better for your health and it will be good to use natural cleaning products to keep your environment clean. These natural cleaning products are free of toxins and cost really low. With children in your house, you have to be careful about the security of chemicals to keep this thing away from your children. Children have curious nature and they always try to open locked cabinets to find treasure. To avoid any accident with your children, you should prepare homemade cleaners. These green cleaners are safe to put around your house because these are made of natural ingredients that are safe for everyone. Non-toxic cleaners will keep the air clean and breathable. You can prepare them with a few basic ingredients that are really cheap and easily available in any grocery store. You can save money...
