Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An inspiring story of beating impossible odds to recover from blindness, cardiomyopathy and Wegener's Disease. It all changed when Ross learned the power of visualization and affirmations. Ross has an inspiring story of transformation that will inspire you too. Nan Akasha, Money Coach High Income Hypnosis We featured Ross Craft in our book because he has applied the Law of Attraction principles into his life and experienced what used to be considered a miracle. His book is an inspiring story we found hard to put down Rich German and Robin Hoch, co-authors of Living the Law of Attraction In desperation I found a way to get belief. This was my result when I got belief and I had a feeling or a knowing it would happen before it happened. I was blind and I got my sight back, I had a very bad heart and it healed itself and my immune system stopped attacking my kidneys and other organs. I survived the health challenges and my wife survived taking care of me. We got through it, and I learned some things that will also help you. How did we get from Just waiting for the storm to pass to Learning to dance in the rain? Learn the details in Learning To Dance In The Rain.
