THE ULTIMATE WEIGHT LOSS DIET FOR CATS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For more than 40 years, I have loved cats, and enjoyed the many special benefits of their unique companionship. Unfortunately, in the year 2010, I discovered to my horror that my indoor cats were becoming quite obese. I tried every diet I could think of, and then consulted with a veterinarian, and paid a ton of money for very expensive scientific formulas. Unfortunately, nothing worked. I knew that cats were different than people, and I couldn't tell my cat to hit the gym, or quit eating fast-food. I was to blame for their obesity, and it was killing me with guilt and shame. I felt like my only choice was to either feed my cats as much as they wanted to eat, and watch them get fatter and fatter, or else cut their food intake, and listen to them cry hungrily. It was an awful feeling, and I was determined to find a solution that would work so that my beautiful cats could keep and maintain a healthy weight. Thankfully, after months of intense research, I have discovered the solution. The Ultimate Weight Loss Diet for Cats works for all felines, sterilized or not, no matter what breed, age, or temperament. The secrets revealed in this book will free your cat forever from the plague of obesity and poor health. In just a few short weeks, your cat will respond to this diet with shiny, soft fur, clear eyes, a healthy wet nose, and abundant energy and maximum vitality. Not only will you see your cat restored to their natural and majestic state, but you will save a ton of money too. This is truly a win-win for everyone,...
