## World-class Warehousing and Material Handling

By Edward Frazelle

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., World-class Warehousing and Material Handling, Edward Frazelle, This title presents timeless insights for planning and managing 21st-century warehouse operations. Despite today's just-in-time production mentality, with its efforts to eliminate warehouses and their inventory carrying costs, effective warehousing continues to play a critical bottom-line role for companies worldwide. "World-Class Warehousing and Material Handling" covers today's state-of-the-art tools, metrics, and methodologies for dramatically increasing the effectiveness, accuracy, and overall productivity of warehousing operations. Written by one of today's recognized logistics thought leaders, this comprehensive resource provides authoritative answers on such topics as: the seven principles of world-class warehousing; warehouse activity profiling; warehouse performance measures; warehouse automation and computerization; receiving and put away; storage and retrieval operations; picking and packing; and, humanizing warehouse operations. "World-Class Warehousing and Material Handling" describes the processes and systems required for meeting the changing demands of warehousing. Filled with practices from proven to innovative, it will help all logistics professionals improve the productivity, quality, and cycle time of their existing warehouse operations. Not too long ago, effective warehousing was a relatively straightforward progression of receiving, storing, and shipping. But in today's age of e-commerce, supply chain integration,...
