It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MEANDERING PUB WALKS IN DEVON (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The book contains ten circular walks which vary in distance from 3 miles to 5 miles. The layout explains where to start and park, the type of terrain and what O.S. map to use along with a compass just in case the smartphone or G.P.S fail to work? The countryside is spectacular with views down river estuaries, out to Dartmoor and tranquil secluded spots hidden even from the motor car. The added bonus is that there is a pub some place along the route to give you a cool drink and refreshments. A lot of the pubs are also dog friendly so in the winter they can sit down by the log fire, the only problem is getting them back out on the road. Some of the pubs are very old so it is worth looking back on there history even has far back as the Knights Templar. Set out on the road and take your time to enjoy all the scenery but beware in Devon some of the hills are steep. Check out Denbury with the Iron Hill Fort, Luton, Combeinteignhead, Hennock and North Bovey just to mention a few. Happy Walking.
