TREASURE ISLAND OXFORD WORLDS CLASSICS

Oxford University Press. Paperback. Condition: New. 272 pages. Dimensions: 7.7in. x 5.1in. x 0.7in. The discovery of a treasure map sets young Jim Hawkins in search of buried gold, along with a crew of buccaneers recruited by the one-legged Long John Silver. As they near their destination, and the lure of Captain Flints treasure grows ever stronger, Jims courage and wits are tested to the full. Robert Louis Stevenson reinvented the adventure genre with *Treasure Island*, a boys story that appeals as much to adults as to children, and whose moral ambiguities turned the Victorian universe on its head. This edition celebrates the ultimate book of pirates and high adventure, and also examines how its tale of greed, murder, treachery, and evil has acquired its classic status. The book features an informative Introduction and explanatory notes by Peter Hunt, an updated bibliography, a revised chronology, and a glossary of nautical terms. Hunt includes a Note on the Text that highlights important variants between serial and volume publication and has added additional appendices, featuring Stevensons short fable *The Persons of the Tale* and appendix of comparative episodes from Stevensons sources. About the Series: For over 100 years Oxford Worlds Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxfords commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
