Reviews

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

(Ellie Stark)

MEN OF INVENTION AND INDUSTRY

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. A speck in the Northern Ocean, with a rocky coast, an ungenial climate, and a soil scarcely fruitful, -this was the material patrimony which descended to the English race-an inheritance that would have been little worth but for the inestimable moral gift that accompanied it. Yes; from Celts, Saxons, Danes, Normans-from some or all of them-have come down with English nationality a talisman that could command sunshine, and plenty, and empire, and fame. The go which they transmitted to us-the national vis-this it is which made the old Angle-land a glorious heritage. Of this we have had a portion above our brethren-good measure, running over. Through this our island-mother has stretched out her arms till they enriched the globe of the earth.Britain, without her energy and enterprise, what would she be in Europe? -Blackwood s Edinburgh Magazine (1870).
