

Schema Therapy

By Jeffrey Young, Eshkol Rafaeli, David P. Bernstein

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Schema Therapy, Jeffrey Young, Eshkol Rafaeli, David P. Bernstein, Schema Therapy combines proven cognitive behavioral therapy techniques with elements of interpersonal, experiential, and psychodynamic therapies in order to help people with long-term mental health problems including personality disorders and chronic depression. Schema Therapy suggests that many negative cognitive conditions are based on past experiences, and therefore provides models for challenging and modifying negative thoughts and behaviors in order to provoke change. In this book, Eshkol Rafaeli, David P. Bernstein and Jeffrey Young - pioneers of the Schema Therapy approach - indicate the 30 distinctive features of Schema Therapy, and how the method fits into the broader CBT spectrum. Divided into two parts, Theoretical Points and Practical Points, this book provides a concise introduction for those new to the technique, as well as a discussion of how it differs from the other cognitive behavioral therapies for those experienced in the field.

Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

-- Eileen Kling I

Basically no words to describe. It is filled with knowledge and wisdom I am just pleased to let you know that this is actually the greatest publication I have read within my individual lifestyle and may be the best publication for at any time.

-- Prof. Ron Gaylord II
