Alice in Manhattan: A Photographic Trip Down New York City s Rabbit Holes (Hardback)

By Lewis Carroll

Six State Press, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Even after 150 years, Lewis Carroll s Alice in Wonderland continues to encourage readers and inspire artists to explore who they are, where they want to go, and embrace the dark unknown. Through over 60 stunning, black-and-white, street and architecture photographs, Alice in Manhattan juxtaposes quotes from the brilliant original text with characters, scenes, and settings throughout New York. The vivid photography will transport you beyond the familiar tourist destinations, down the rabbit hole, and into the dark recesses of the city. You will explore Manhattan as never before - a real life Wonderland that offers a diverse melting pot of mad characters, distinctive art and architecture, beautiful gardens, and underground tunnels that take you on a new and fascinating journey.
