WW Norton Co, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. In the years since the perennially popular *In Short* and *In Brief* were published, readers have come to delight in the deft focus of the succinct piece we now call *The Short*. Extending this trend, *Short Takes* presents over seventy-five writers whose range and style demonstrate the myriad ways we humans have of telling our truths. Themes develop and speak to or collide with one another: musings about parents, childhood, sports, weather, war, solitude, nature, loss-and, of course, love. The stellar roster of contributors includes well-known writers-Verlyn Klinkenborg, Jo Ann Beard, David Sedaris, Dorothy Allison, Salman Rushdie, and Terry Tempest Williams-along with Michael Perry, Mark Spragg, Jane Brox, and others whose literary stars are clearly rising. Each short-whether a few paragraphs or reaching 2,000 words, and reflecting almost every way nonfiction can be written-invites us to experience the power of the small to move, persuade, and change us.
