

## The Faith of the American Soldier

By Stephen Mansfield

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 163 x 137 mm. Language: English . Brand New. Since men and women in battle not only face the prospect of their own deaths but also must fashion a moral rationale for killing, the battlefield is often a place of tremendous religious transformation. Do men and women at war revert to the faith of their youth or do they gravitate to the spirituality around them? Do they lose all faith in the face of horror, or do they piece together an informal faith that simply gets them through the fight? Are they better warriors and do they experience less post-traumatic stress if they believe their war is righteous and that they are agents of good? These are the questions Stephen Mansfield addresses in The Faith of the American Soldier. The book opens with the core question which lies at the heart of the matter: what happens religiously to America's warriors when they go to battle, and what impact does this have on the nation's conduct of war? Mansfield surveys America's wars from a theological perspective in order to understand the theological framing and religious rationale for each,...

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*
