### **Reviews**

*An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.*

Washington Writers Publishing House, United States, 2008. Paperback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We meet a Mayan cowboy, Archimedes, a diamond smuggler and a nightclubbing saint in this collection of poems bound together by the themes of place and origin. In Provenance, Brandel France de Bravo explores not only her own roots but the roots of words. Taking her cue from Ralph Waldo Emerson who said, Every word was once a poem, she has written 26 poems - one for every letter - inspired by etymologies. By braiding autobiography with the biographies of Apricot, Zygote and everything in between, the poet tells a story that transports us to places both familiar and far-away.
