The most wonderful Scottish terrier I was so fortunate to own. He brought love and laughter into my life. So of course when he said he wanted to write his autobiography I helped him the best I could. He was no good at typing, his paws would press four keys at once. So we came to an agreement. He would dictate and...

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*
