This book is dedicated to the King of Pop, Michael Jackson. He wanted to change the world, to make it a better place for all the generations. He had a beautiful soul and helped many people. But he was misunderstood because he looked at the world with the innocent eyes of a child. Bad people think that all the others are like them. But Michael was guilty only because he was so pure and loved the others as he loved himself. His only sin was that he trusted so much people that did not deserve his love and attention. He was and will be always the best performer. We will never forget his lovely smile. He is gone, but his music and his name will be IMMORTAL. Michael, You found a shelter in our hearts for the eternity.
