Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.RPS/2044 is an oral history of the next American Revolution. The interviews were conducted in 2040-2041 by Miguel Guevara. Eighteen interviewees describe their participation in Revolutionary Participatory Society - RPS - from its initial conception in 2020 to 2044. Their interviews describe events, campaigns, vision, strategy, feelings, thoughts, debates, and resolutions. You can find out much more on the book's web site at [And here](#) are some testimonials: Basing himself on a lifetime of dedicated and highly productive activism and many years of detailed inquiry into the kind of society to which we should aspire, Mike Albert has now undertaken a novel and imaginative approach to leading us to think seriously about these fundamental issues and concerns - which may fade under the impact of immediate demands but should be prominent in our minds as we develop ways to deal with concerns of the moment More than anyone I know, Mike has emphasized the need to relate long-term vision to devising practical strategies for today. This imaginative oral history from the future is a provocative and most welcome contribution to this urgent and ever-present task. - Noam Chomsky, U.S. Writing in 1946, Albert Camus proposed that in the midst of a murderous world, wherein we re in history up to our necks, people could nevertheless decide to give a chance for survival to later generations better equipped than we are by staking everything on what Camus termed a formidable gamble: that words are more powerful than munitions. Michael Albert bravely takes a fictional leap into a future where survival is enabled and sanity prevails. He gambles on literature, in the form of meaningful fiction, to help readers puzzle through crucial ethical...
