

Places of Grace: The Natural Landscapes of the American Midwest (Hardback)

By Gary Irving, Michal Strutin

University of Illinois Press, United States, 1999. Hardback. Condition: New. New.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This stunning collection of photographs uncovers the mystery and beauty of a part of the country that for most people is hidden in plain view. Places of Grace reveals both the physical splendor and the natural history of a ten-state region encompassing Illinois, Nebraska, Wisconsin, Minnesota, Iowa, Missouri, Kansas, Ohio, Indiana, and Michigan. The Midwest is full of useful, productive lands, a breadbasket ideally suited to raising crops and livestock. There is another Midwest, however, marked by lands that historically have resisted human purposes: the dark swamp forests of the far north, Nebraska's arid Sand Hills, the rockbound Flint Hills of Kansas. Such lands as these, although difficult to cultivate, are valuable in terms not calculable in units produced or metric tons shipped. Many have been preserved as national parks or wildlife refuges. All hold secrets for the careful observer: Above a twisted sandstone gorge, golden autumn leaves drift thickly over the floor of an Indiana hardwood forest, their crunch underfoot releasing...
